General Information

My office is pleased to offer internships to students who wish to learn more about Congress and the legislative process. By allowing students a unique perspective on the inner workings of our country's democratic government, Congressional internships offer an exciting educational experience.

Internships are unpaid positions. During the summer months, internships generally last for a minimum of 5-6 weeks. During the academic year (September to May), internships generally cover the student's semester, from September to December in the Fall or January to May in the Spring. Both part-time and full-time internships are available.

Interns in our office must be highly motivated, have strong communication skills, both written and verbal, and a keen interest in the legislative process. Duties include attending legislative hearings and community meetings, participating in regular office meetings, conducting legislative research, giving tours of the Capitol Building to visiting District residents, and responding to constituent inquiries and phone calls.

If you are interested in applying for an internship in either Rep. Edwards' Washington DC or Texas office, please complete the following application. After submitting your application and cover letter online, please mail a writing sample and letters of recommendation to the address at the end of this form. For more information, please call our Washington, DC Intern Coordinator at 202-225-6105.

NOTE: We are now accepting applications for Fall and Winter internships in both the Washington and Texas offices. The deadline for Fall applicants is August 1; the deadline for Spring applicants is December 1.
